### • EDUCATION

#### Professional Certificate in Web Application Development Technologies (IFCD210)

Centro Digital San Blas

05.11.2024 – 23.04.2025

#### Currently studying Web Application Development

### • EXPERIENCE

#### PERSONAL TRAINER

*Duración: 01.11.2024 - Present*

I developed my own teaching and working methodology that allows me to dedicate time to my studies, career transition and family.

#### SOCIO FUNDADOR– TEAM BLACK PANTHERS

*Duration: 01.10.2020 - 17.10.2024*

I founded this sports center and took responsibility for the daily management of the facility, combining administrative and technical tasks.

- Full management of the sports center, including administration, digital promotion and coordination of trainers.
- Implementation of internal systems for registrations and payments.

Promotion of the center through social media and digital messaging.

#### RZGYM – ADMINISTRATIVE COORDINATOR (INTERNAL PROMOTION)

*Duration: 01.03.2003 – 01.06.2020*

- Management of bookings, payments and attendance tracking using tools such as Excel and Word.
- Career progression from customer service to administrative and operational management.
- Coordination of schedules and activities with the team of trainers.

Event organization, inventory control and preparation of reports for management.
